

Cassette 500 (retail)

Optimyst® | 230V/50Hz | 220 Watt

Picture the perfect fireplace. But forget about venting and heat, because flames are made of pure water vapour and LED light. Flames you can reach out and touch. The revolutionary Optimyst® Cassette models redefine the electric fireplace and enable you to add a dramatic fire feature to any space, with stunning realism. Ready to be combined and linked with a Cassette 1000. For that see-through, three-sided, or fully open concept you envisage - in any length, for any location. Possibilities are simply endless.

- Suitable for installation projects and designed to fit into a custom-made frame or fireplace
- Easy-fill water tank, offers around 8-10 hours of continuous operation before refilling is required
- Quick-fit IEC (kettle) connection for an individual fireplace of any length
- Crackling logs sound effects with adjustable volume
- Logset available as an accessory

ACCESSOIRES

Logset 500

Art. number 219920
EAN code 8716412219924

Logset 500L

Art. number 206367

Viewing configurations

All-round view.

Flame Effect

Surprising by the floating flame and smoke effect and variable flame intensity.

All-season flames

Enjoy the unique charm of a fireplace 365 days a year using the flames without the heat.

Flame technology

Optimyst® flame technology, flame patterns by cold water vapour.

LED Lighting

Flames and lamps use energy-efficient LEDs that require no maintenance and can burn separately.

Decoration

Product is delivered without decoration, but can be decorated with a wood set (optional to be ordered).

Multi-function Remote

Control all functions of the fireplace from the comfort of your chair.

Crackling sound effect

Sound effect of crackling wood fire.

Installation

Very suitable for installation.

Cassette 500 (retail)
